## ABOUT US ...

We are professional producer of high-quality supplementary pet food for dogs, cats, rodents and other small animals in Czech republic. Our company was established in 1992 so we have been in this business for more than 32 years. We consider ourselves professionals. Having said that we can provide you with complex services. Our main goal is to provide feed supplements for pets which do not only taste but also help. We produce snacks which contain fat, milk by-products etc. like „chocolate“ products, bakery (hard bakery and semi-moistened bakery products), filled parcel, dental snacks and extruded soft snacks in various of shapes and flavours under our labels (Dentos, Dafiko, Dentafit etc.) and under private labels of our customers.

## WE HAVE VETERINARY PRODUCTION

We can use raw materials especially for pets and their good digestion!

# DENTAL SNACK

*Important benefits*

## DENTAL HEALTH

The extended chewing time helps to prevent dental disease as it scratches along the tooth removing plaque.

## STIMULATION

Super long lasting treat to provide mental stimulation and some serious entertainment.

## EUPHORIA

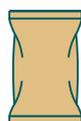

For a dog, chewing releases endorphins, throwing any dog into a state of euphoria. Making one happy pooch!
